## Cocktail Menu

### 01. JESTER'S GIGGLE

A fizzy blend of strawberry soda, vanilla vodka, lemon juice, and a touch of edible glitter — guaranteed to make you snort-laugh.

### 02. HONK HONK

Cherry liqueur, spiced rum, and cola, topped with whipped cream and a maraschino “red nose” — a sweet prank in a glass.

### 03. PIE IN THE FACE

Cream liqueur, banana schnapps, and caramel syrup, shaken until silky and served in a chocolate-drizzled glass — delightfully messy.

### 04. BALLOON ANIMAL

Gin, elderflower tonic, blue curaçao, and a splash of lime — light, playful, and dangerously drinkable.

### 05. SELTZER SLAP

Vodka, seltzer, grapefruit juice, and a pinch of pink salt — refreshing, with a zing that hits like a clown's water flower.
